

# AlcoAlert Smart Electrochemical breathalyzer, black

Model: AlcoAlert Smart

Manufacturer: ALCOALERT

EAN: 5904507904937

Product Code: 933719

## R2,102

Measurement range: 0.00 - 4.00 ‰ | Package contents: User manual | Alarm threshold: 0.20‰, with option to modify in the app | Distance measuring units: mg/L | Warnings: Do not disassemble the unit yourself. | Distance measuring units: g/L | Sensor: Electrochemical | Warnings: Do not use near an open flame. | Distance measuring units: mg/100ml | Distance measuring units: ‰ (per mille) | Package contents: Warranty Card | Package contents: AAA Battery x2 | Distance measuring units: % BAC | Package contents: 5 mouthpieces | Warnings: Keep away from children. | Measurement accuracy:  $\pm 0.005\%$  BAC at 0.05% BAC at 25°C | Sampling time:  $\pm 5$  s | Display type: LCD VA | Measurement resolution: 0.001% BAC | Battery technology: AAA Battery | Product type: Breathalyzer | Number of batteries: 2 | Product colour: Black | Built-in display: Yes | Material: ABS | Power source type: Battery
