

3Doodler FLOW 3D pen 2.2 mm Black

Model: Flow

Manufacturer: 3DOODLER

EAN: 817005024432

Product Code: 936760

R2,239

Weight: 100 g | AC adapter output current: 1.2 A | Quick start guide: Yes | LED indicators: Temperature | Printing material: ABS | Printing material: Wood fiber | Printing material: Polylactic acid (PLA) | Width: 18 mm | Recommended age (min): 14 yr(s) | AC adapter output voltage: 5 V | Preheating time: 1.5 min | Product colour: Black | AC adapter included: Yes | Printing material: Flexible polyester (FPE) | Built-in display: Yes | Nozzle width: 2.2 mm | Height: 160 mm | Maximum extruder tip temperature: 240 °C | Depth: 20 mm | Manual: Yes | Filament thickness supported: 1.75 mm | Housing material: Plastic | Housing material: Metal | Housing material: Rubber | AC adapter input voltage: 110 - 240 V | Print technology: Fused Filament Fabrication (FFF) | Warnings: Avoid contact with skin and eyes. | Warnings: The product contains substances that may be hazardous to the environment, do not dispose of in the regular waste bin. | Compliance certificates: CE | Warnings: May cause respiratory tract irritation.
