LiberNovo 3D Eye Mask

The LiberNovo 3D Eye Mask effectively blocks out light, providing a comfortable environment for rest at home, in the office, and while traveling. The ergonomic 3D design with adaptive air cushions conforms to the shape of your face, providing complete darkness without putting pressure on the eye and nose areas. Its light weight of just 27.25 g and an adjustable strap, suitable for head circumferences from 40 to 70 cm, ensure comfort even during extended use.
