R3,406

The Camera G4 Instant captures sharp 2K HD video over dual-band Wi-Fi and is equipped with a built-in speaker and microphone to deliver two-way audio. The G4 Instant is also equipped with IR LEDs to boost nighttime image clarity, and its IPX5-rated, weatherproof casing enhances its outdoor durability and tamper resistance, making it an ideal camera to stage in public areas. Designed for convenience and ease of use, the camera is powered with the AC power adapter.
