R1,655

Add extra functionality to your smartphone or laptop with the JCA122 USB-C® to 3.5mm Audio Adapter with Power Delivery. This device allows you to add a microphone or headphone and includes USB-C® port that offers charging up to 100W when a USB-C® power adapter is connected. A convenient device adapter that adds a 3.5mm audio port without sacrificing the charging port on your smartphone, tablet, or laptop.
