## **Dell Pro 14 Plus**

The Dell Pro 14 Plus is a professional-grade 14-inch laptop designed to meet the needs of modern hybrid work. Powered by Intel Core Ultra processors with integrated NPU acceleration, it delivers strong on-device AI performance for productivity applications, development workloads, and enterprise use.

Its durable aluminum chassis, enhanced serviceability, and enterprise-level manageability make it a dependable choice for organizations. The 16:10 FHD+ display provides increased vertical workspace, supporting efficient multitasking while maintaining a compact and lightweight design ideal for mobile professionals.

Equipped with advanced connectivity, robust security features, and Windows 11 Pro for business-grade manageability, the Dell Pro 14 Plus offers a reliable and future-ready platform suitable for demanding corporate environments.
