Short summary:

**Dell Pro 13 Premium (PA13250)** is a compact, high-performance business laptop designed for professionals who require advanced AI capabilities, premium build quality, and maximum mobility. As part of Dell's latest Pro portfolio, it replaces the Latitude 7350 series and delivers a refined balance of power, durability, and modern design.

Powered by Intel Core Ultra 200V series processors, the Dell Pro 13 Premium is a Copilot+ AI PC built for next-generation productivity and collaboration. The MIL-STD-810H certified chassis and Dell's modular USB-C design improve durability while enabling easier serviceability and longer device lifecycle.

The experience is elevated by a stunning high-resolution touch display, an advanced 8 MP HDR + IR camera with presence detection, and a premium audio system optimized for professional communication. With Dell Pro AI Studio and on-device NPU acceleration, the Pro 13 Premium enables smarter workflows and enhanced security for modern hybrid work.
