378XL Squirrel Claria Photo HD Single Yellow Ink

You've spent time picking your camera and lenses, now complete your kit with long-lasting Claria Photo HD Inks. It's easy to bring out the true beauty of your photos with this 6-colour ink set which includes cyan, magenta, yellow and black in addition to light cyan and light magenta.

Reduce your printing costs

Epson offers standard and extra large (XL) ink cartridges so that you can pick the best value option for your needs. XL inks are great if you print in high volumes and can help to reduce your printing costs. With both sizes, the colours are available individually so only the colour used needs to be replaced. That means less wastage and great value.

Meet the range

Print long-lasting and professional-looking, glossy photos at your convenience with Claria Photo HD Inks. Both photography enthusiasts and semi-professionals are sure to appreciate the enhanced
