

LogiLink NP0057 patch panel 1U

Model: NP0057

Manufacturer: LOGILINK

EAN: 4052792042030

Product Code: 967070

R1,500

LogiLink's compact style shielded CAT6A, CAT6 and CAT5E patch panel meets and exceeds industry standards, ensuring safety & maximizing the performance of your network. To increase our shielded patch panel's durability and strength it is made from solid 16 gauge steel with rounded edges and includes a cable support bar. This patch panel is not only ideal for speed & efficiency but also for organization. The LogiLink patch panel features easy installation, unique cable management and color coded IDC labels according to TIA/EIA568A/B wiring scheme, saving you time and money.
