

Microconnect PE2019B09 power cable Blue 0.9 m C20 coupler C19 coupler

Model: PE2019B09

Manufacturer: MICRO CONNECT

EAN: 5715063079768

Product Code: 967795

R837

The PE2019B09 Blue Power Cable provides a reliable and secure power connection for high-power devices. Featuring a C20-F connector on one end and a C19M connector on the other, this 0.9-meter cable is designed for connecting devices like servers, power distribution units (PDUs), and other equipment demanding a robust power supply. Benefit from MicroConnect's commitment to quality with this European-engineered cable, ensuring both durability and optimal performance. The blue color allows easy identification within complex setups. Trust MicroConnect's 20+ years of expertise to deliver a power cable that meets the demands of your critical infrastructure.
