

ICY BOX M.2 NVMe enclosure with USB 3.2 Gen 2 Type-C

Model: IB-1806MT-CU31

Manufacturer: ICY BOX

EAN: 4250078175070

Product Code: 974041

R1,096

M.2 PCIe NVMe SSD

Toolless installation for a quick setup with transfer speeds of up to 10 Gbps. Designed for efficient file management and data processing. Compatible to SSD sizes 22x 30/42/60/80 mm.

Durable build

The durable aluminium enclosure serves as a heat sink to maintain optimal SSD performance while protecting the SSD from physical damage.

Plug & Play

Spade Case 1806 requires no additional drivers. With Plug & Play support for Windows, macOS, and Linux, users can instantly access their data. This tool works for both professionals and casual users alike.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
