R2,780

SILK'N LED Face Mask 100

LED light therapy (red, blue, yellow and purple)

Reduces fine lines and wrinkles

Helps against acne and blemished skin

Improves blood circulation and skin texture

Calms and soothes

- Red light, 622nm: reduces fine lines and wrinkles, stimulates collagen and helps to improve blood circulation. Suitable for all skin types.
- Blue light, 463nm: targets the bacteria that cause acne and helps normalise oil production for clearer skin and improved skin texture. Suitable for oily skin.
- Yellow light, 592nm: reduces redness and soothes and softens the skin. Suitable for dry and sensitive skin.
