XPG VALOR AIR COMPACT MID-TOWER CHASSIS

XPG VALOR AIR is a compact mid-tower ATX chassis with Streamline-Carving front panel design and a 3mm-tempered glass side panel. XPG VALOR AIR is available in black and white colors and comes with 4x pre-installed 120mm fans out of the box. Internal layout is mechanically engineered to ensure compatibility with most common components and has maximized flexibility for support. Fitting up to 305mm length graphic cards and up to 166mm height CPU air coolers, XPG VALOR AIR offers more than most compact-size chassis.
