

Ancel DS200 OBD2 car scanner

Model: DS200

Manufacturer: ANCEL

EAN: 6978281190076

Product Code: 983499

R5,658

Ancel DS200 automotive OBD2 scanner

Ancel DS200 is an advanced OBD2 diagnostic scanner that offers OE-level diagnostics for all vehicle systems. It supports [among others](#). engine, airbags, transmission, ABS, SAS steering, 4WD, TPMS, headlights, ESP, seat belts, fuel system, starting system, suspension, navigation and much more. Designed for individual users, workshops and car dealers, it provides broad compatibility with more than a thousand vehicle models, including Ford, BMW, Audi, Toyota, Honda, Nissan and many other brands.

Comprehensive diagnostics and OBD2 functions

The DS200 offers a full set of OBD2 functions, such as fault code reading and clearing, live data, I/M readiness, O2 sensor tests, freeze frame viewing, vehicle information and DTC code search function. You can also use the ABS diagnostics function to read and clear faults and reset ABS sensors after repairs – all for safe driving.

Multitude of reset services and maintenance functions

The scanner offers more than 15 key service functions, such as ABS bleeding, battery adjustment, oil reset, steering angle reset (SAS), throttle adaptation, AdBlue reset, DPF regeneration, injector coding and NOx sensor reset. All of these functions are available free of charge, making the DS200 a truly cost-effective choice.

Advanced technical features

The device features a 5-inch backlit color screen for readability in all conditions. The DS200 runs on Android 10.0, offering fast and stable operation thanks to a 1.3GHz quad-core processor, 2GB of RAM and 32GB of internal memory. A built-in 1500 mAh battery, 2.4 GHz Wi-Fi and free updates guarantee reliability and long-term usability.

Intuitive operation and complete privacy

The Live Chat vs Remote function ensures user privacy, time saving and extremely simple operation. The device is available in 20 languages, allowing the interface to be tailored to user preferences. With the DS200, professional diagnostics becomes available to everyone - without compromise

Manufacturer	Ancel
Model	DS200
Display	5" 584 x 480
Operating system	Android
Battery	3.8V, 1500 mAh
Memory	RAM 2 GB, ROM 32 GB
CPU	Quad-core 1.3 GHz
