Canon has poured all the know-how of its extraordinary history of developing innovative office machines into each of its copiers, printers, and networked office systems. The same superiority of design and manufacture goes into all of the Canon-branded consumable imaging supplies and parts for this equipment. Naturally, no one makes better parts and supplies for Canon products than Canon. Canon puts its name on its parts and supplies because it stands behind their quality and performance. Each of the parts and supplies Canon makes for its office equipment products is a key part of the whole, carefully designed machine, which has been expertly engineered to provide top performance, reliability, and optimum output.
