

Chieftec GPU-1200FC power supply unit 1200 W 20+4 pin ATX ATX Black, Red

Model: GPU-1200FC

Manufacturer: CHIEFTRONIC

EAN: 753263077677

Product Code: 992301

R4,956

The Chieftronic PowerPlay series builds on Chieftec’s many years of experience developing top-quality power-supplies and combines top specs like 80 PLUS Gold (at 550W, 650W, 750W) and 80 PLUS Platinum (at 850W, 1050W), premium Japanese capacitors for low ripple noise with an eye-catching fan filter design to offer an attractive PSU for users who want a true top-tier product.

Featuring a rugged build quality, the PowerPlay series measures only 160mm in length, therefore comfortably fitting into almost any system supporting ATX format PSU’s and leaving plenty of space for easy cable management.

This combination of efficiency, performance and build design makes the PowerPlay series a true top-of-the-line model leading Chieftronic’s PSU line-up.
