

Neomounts KEYB-V100RACK Keyboard/mouse shelf connector

Neomounts KEYB-V100RACK Keyboard/mouse shelf connector

Model: KEYB-V100RACK

Manufacturer: NEOMOUNTS

EAN: 8717371441357

Product Code: 992497

R1,531

The Neomounts connector, model KEYB-V100RACK is the ideal tool to combine Neomounts console mounts, KEYB-V050 and KEYB-V100 with flat screen mounts. This mount is a great choice when keyboards, mice and monitors need to be combined on one wall-, ceiling-, or desk mount. This connector includes VESA 75x75 and 100x100mm to fit any mount possible.

Select the wall-, ceiling or desk mount you need and combine it with the keyboard and mouse holder. Need to combine keyboard, mouse and monitor? Add our adapter, KEYB-V100RACK and all combinations are possible. Example shown includes Neomounts flat screen desk mount, model FPMA-D940HC combined with KEYB-V100 (75 cm x 23 cm) and KEYB-V100RACK. The installation of KEYB-V050 (50 cm x 23 cm) works similar.

All installation material is included with the product.
