

Epson EB-994F 4100 ANSI lumens 3LCD 1080p (1920x1080) White

Model: V11HB60040

Manufacturer: EPSON

EAN: 8715946738086

Product Code: 993480

R23,725

Created the right impression in any environment

The EB-994F is the perfect combination of high quality and high performance, offering a brightness of up to 4,100 lumens, powered by Epson's 3LCD technology. Providing professional sharp, clear content output for any working environment, enabling high-quality and engaging presentations without breaking the budget. To complete the immersive experience, high-quality sound is delivered via a built-in 16W speaker - making additional external speakers a thing of the past.

Up to 304" display size to maximise audience engagement

Transform any room into a vibrant viewing environment with a scalable display size of up to 304", while delivering crystal-clear, smooth images with Full HD 1080p resolution with a 240Hz refresh rate, enhanced by Scene Adaptive Gamma Correction for optimum brightness and contrast, and

exceptional colour accuracy to deliver vibrant, true-to-life images free of distracting rainbow effects to keep audiences focused and engaged throughout any presentation.

Portable and flexible

Lightweight and compact, this versatile projector is easy to transport, offering flexibility. It features a simple setup with x1.62 zoom and automatic vertical keystone correction of $\pm 30^\circ$. Quick setup functionality allows for effortless installation and use in any location.

High reliability and low maintenance

Designed for long-lasting performance, the EB-994F offers a lamp life of up to 17,000 hours in ECO mode, reducing the need for frequent replacements and lowering maintenance costs. Backed by a 5-year warranty to provide additional peace of mind and reassurance operation even in the most demanding environments.

A continued commitment around sustainability

Epson projectors are continuously developed, produced and packaged with sustainability at front of mind, demonstrating Epson's continuous journey towards carbon-neutrality with lower environmental impact.

Stream and share easily

With Apple AirPlay 2 and Miracast connectivity¹, sharing content is quick and simple - users can wirelessly mirror their device screens to the display for seamless collaboration. The USB-A port also enables PC-free streaming, while additional options like HDBaseT and HDMI daisy-chaining further enhance flexibility.
