

Lanview LVN127596 patch panel 1U

Model: LVN127596

Manufacturer: LANVIEW

EAN: 5704174318811

Product Code: 997660

R1,151

19" Unshielded Patch Panel designed for EIA and TIA compliance.

The panel has a screen printed labelling field positioned above each port, and cable tie bridges are positioned behind each port to relieve cable stress.

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
