R1,949

Designed for exceptional form, fit, and function, the MagPro™ Elite Magnetic Privacy Screen Filter for Apple MacBook Air 13 (M2/M3/M4, 2022 and newer) easily attaches to the frame of your MacBook Air using embedded magnets, allows full device closure and sleep mode functionality and provides professional-grade privacy screen protection. The privacy screen filter narrows the viewing angle to ±30° to increase visual security and decrease the chance of visual hacking. Blue light reduction filters out harmful rays by up to 52%, easing eye strain and reducing the chances of interruptions to your natural sleep patterns. Reversible screen includes low reflective coating for improved viewing clarity. One side has a matte finish to reduce glare and fingerprints. The other side is glossy and

provides a clearer view of the screen. The anti-glare/matte surface uses a special antimicrobial film coating that prevents mildew and bacteria growth, which can cause stains and odours on the film. Magnets make it easy to attach or detach as needed. No inconvenient and potentially damaging adhesives required. Includes two-year limited warranty.
