Hi Doki App

Search, write, analyze, and study—all in one app.

ImageX App

18+ Pro Tools to edit, retouch, colorize, and transform photos with ease.

VidGen App

Text-to-videos, effects, and animations—all at your fingertips.

Soundle App

Write a few words, and AI composes your music.

11" FHD+ 90Hz Immersive Display

From Movies to Games, Every Detail Comes Alive

Feast your eyes on an expansive 11" FHD+ IPS screen with a 90Hz refresh rate. ZENO 10 delivers buttery-smooth visuals and vibrant clarity, transforming your gaming and streaming into a captivating visual experience that pulls you right into the action.

Low Blue Light & Eye Comfort Screen

Gentle on Eyes, Vivid in View

Extended screen time may cause eye fatigue. ZENO 10 features a Low Blue Light & Eye Comfort Screen, reducing eye strain while keeping visuals vivid for work, streaming, gaming, or reading in any lighting condition.

Quad Box Speakers & 1080P Widevine L1 Support

Your Cinema with Stereo Sound and Crystal-Clear View

Bring the cinema home with four powerful stereo speakers delivering immersive surround sound. Combined with 1080P Widevine L1 support, every movie and series comes to life with stunning clarity, making ZENO 10 the ultimate entertainment hub.

Split Screen 2.0

Split Your Screen, Multiply Your Productivity

Say goodbye to constantly switching apps. With Split Screen 2.0, run two apps

simultaneously—whether taking notes while researching or chatting while watching videos—effortlessly multitask and double your productivity.

PC Mode 2.0

PC Windows on Tap, Multitask in a Snap

All-new PC Mode 2.0 allows you to work with multiple independent windows just like a PC. Effortlessly juggle multiple tasks and apps at the same time—PC Mode 2.0 brings true desktop-level efficiency to ZENO 10.

Pre-installed WPS Office

Instant Office, Anytime Access

The pre-installed WPS Office delivers a PC-like experience for editing Word, Excel, and PowerPoint files. Whether writing reports, analyzing data, or preparing presentations, you can start working anytime, anywhere.

Wireless Keyboard & Mouse Support

Work Smarter, Control Faster

Pair a wireless keyboard and mouse to unlock PC Mode 2.0, turning ZENO 10 into a true desktop-style workspace. The smooth typing and precise cursor control make multitasking easier, improving productivity for both work and study.

Stylus Pen Support

Pen in hand, Creativity Expand

Connect a stylus pen for smooth, responsive writing and drawing. Whether you're taking notes, sketching ideas, or marking up documents, every stroke feels natural, making creativity and productivity effortless.

Octa-core UNISOC Tiger T8200 5G

Effortless Speed, Seamless Multitasking

With the Octa-core UNISOC Tiger T8200, ZENO 10 delivers power and efficiency in one. Switch apps, multitask, and run demanding workloads without slowdown—smooth, seamless, and built for both productivity and play.
