Create music from simple prompts — explore different styles and refine your sound with ease, turning your ideas into something you can share, feel, and connect through.

More Comprehensive Performance

Powerful Performance

Octa-Core Performance Processor

Powered by the Unisoc T7250 octa-core processor, built on a Cortex-A75 + Cortex-A55 architecture, ZENO 5 delivers smooth, responsive performance with efficient power usage for everyday tasks.

Never Slow Down, Even with More Tasks

With 8GB of RAM and up to 24GB of additional expansion, ZENO 5 delivers up to 32GB of memory — giving you smoother multitasking, faster app launches, and the ability to keep more apps running in the background without slowdowns.

More Space for What Matters

128GB ROM + Up to 2TB TF Card Expandable

Save your favorite content, important files, and everyday essentials in one place. With 128GB storage and up to 2TB expandable via TF card, ZENO 5 gives you more space, more freedom, and less worry.

Fully Upgraded

DokeOS_P 5.0 Based on Android 16

New Look. More Magic.

DokeOS on ZENO 5 is upgraded to version 5.0 (Android 16), delivering faster performance, smoother operation, a cleaner interface, and smarter AI features — all for a more refined and intuitive experience.

Protection You Can Rely On.

Elegant to Use. Designed for Real Life

With IP54-rated protection, ZENO 5 helps guard against splashes and light spills — so everyday moments won’t interrupt your experience.

Protected from Day One

The product information provided is for reference purposes only. Technical specifications, photos, descriptions and prices may change without prior notice. The manufacturer and seller are not responsible for possible data discrepancies or typographical errors. We recommend checking the current information before purchasing.
itworkup.co.za | sales@itworkup.co.za | +27 (11)541-9950

With a protective case and tempered glass included, ZENO 5 stays protected from scratches, bumps, and daily wear — giving you extra peace of mind wherever you go.

Stay Connected, Wherever You Go

Dual 4G SIM Support

Use two SIM cards or one SIM with a TF card — stay connected even without Wi-Fi.

Reliable Worldwide Coverage

Supports multiple bands for stable and reliable use across different regions.

Wi-Fi 5

Stable and fast wireless performance for everyday use.

Wireless BT 5.0

Smooth and reliable pairing with your devices.

4-System Precision Navigation

Supports GPS, GLONASS, BeiDou, and Galileo for faster, more accurate location tracking.

Ready Right Out of the Box

ZENO 5 includes everything you need to get started — no extras required.

- Protective Case
- Tempered Glass Screen Protector
- Stylus Pen
- Wireless Keyboard
- Wireless Mouse
- Wired Earphones
